

Key

Solid lines indicate recommended route

Broken lines indicate an alternative route

Dotted lines indicate a link route (not surveyed)

- New path required (either highway verge or private land)
- Route follows existing path or track of some sort but will require improvement such as widening, surfacing or legal conversion to (or creation of) bridleway, byway or cycle track
- Route follows a well surfaced road or track but is private or footpath status only
- Route follows a well surfaced public road or track requiring no improvement
- Route follows carriageway and requires safety improvements such as signs or traffic calming
- ⊗ Symbol indicates proposed crossing point (dashed symbol indicates crossing for alternative route)

Proposed link route to Freston, Holbrook and Alton Water amenities. Also forms part of circular route from Ipswich
