

Key

- Solid lines indicate recommended route
- Broken lines indicate an alternative route
- Dotted lines indicate a link route (not surveyed)
 - New path required (either highway verge or private land)
 - Route follows existing path or track of some sort but will require improvement such as widening, surfacing or legal conversion to (or creation of) bridleway, byway or cycle track
 - Route follows a well surfaced road or track but is private or footpath status only
 - Route follows a well surfaced public road or track requiring no improvement
 - Route follows carriageway and requires safety improvements such as signs or traffic calming
- Symbol indicates proposed crossing point (dashed symbol indicates crossing for alternative route)
