

SHOTLEY PENINSULA CYCLING CAMPAIGN

The Shotley Peninsula Cycling Campaign was launched in May 2010 to campaign for safer cycling throughout the peninsula. A first phase of this campaign is to establish a new off-road path, suitable for bicycles, buggies and wheelchairs, from Ipswich to Shotley Gate. Following from this, we aim to establish links to Holbrook and Alton Water, connecting villages, schools and leisure facilities.

If you'd like to join our campaign, membership is free
